PDI's Career Development Services Center and SCO's FirstStepNYC's Leadership Institute are proud to present the upcoming Dine & Discuss Career Panel and Networking Event.

This installment of our series will feature an interactive panel of professionals who each work toward the common goal of delivering programming for children and families focused on STEM (Science, Technology, Engineering and Math).

Panelists will share their professional pathways and current work, as well as tips for creating your own path to pursuing a career in STEM.

Dine & Discuss: The Many Faces of Leadership
Inspiring Young Children Through S.T.E.M.
